

Now comes Defendant Erick Jamal Hendricks, by and through counsel, and respectfully requests that the Court designate this case as a complex “mega case” for budgeting purposes. As the Court is aware, this is a somewhat high profile case. In addition to having voluminous discovery to review, it is anticipated that there will be CIPA and FISA issues as well, and it is highly likely that the case will involve a multi-week trial. Counsel was directed by the Sixth Circuit Budgeting Attorney to file this motion to have this case so designated for purposes of the Criminal Justice Act.

Wherefore, Defendant Erick Jamal Hendricks respectfully requests that the Court issue an order designating this as a complex “mega case” for budgeting purposes.

Respectfully submitted,

STEPHEN D. HARTMAN (0074794)
